TOKYO LANDLORDS RESORT TO WEIRD MEANS TO REMOVE TENANTS, ESCAPE FROM CREDITORS

TOKYO — Japanese landlords are doing some weird things to [illegible] tenants and hold off the creditors.

Landlord Senichi Yamazaki, [illegible] by the law in his efforts [illegible] the tenants of one of his [illegible], removed the tiles from the roof in order to force them out.

Yamazaki, a dealer in fertilizer, [illegible] and paper in the province of Niigata, said that the [illegible] taxes had forced him to demand an increase from 7 cents [illegible] month rent, as specified in the original lease concluded in 1940, [illegible] a month.

The tenants contended that they were barely able to survive, [illegible] pay higher rental, and [illegible] Yamazaki continually abused them with such epithets as "[illegible] frogs" and "you worms."

The landlord further accused the tenants of never having paid the rent promptly. Three families live in the building, which the owner wants to convert into a fertilizer warehouse.

In Tokyo, the owner of a small department store called in a demolition squad to escape thirty creditors who wanted to take possession of his building. At [illegible] a.m. one night fifty constables wielding firehooks, stone hammers and ripsaws charged the cultural department store.

They went to work with vigor. They sawed, yanked and pounded with relish.

The shop began to come down. But at this moment ten armed policemen arrived on the scene.

The building is weak-kneed, but standing. The owner, Shojiro Shimamura, is in hiding, pursued by both creditors and the police.

Complete Disuse of Word 'Japanese' is Suggestion

VANCOUVER — In reply to a recent Vancouver Sun editorial which stated that a dangerous precedent may be set should Japanese Canadians be called "Janucks" and other ethnic groups [illegible] to attach a name tag to themselves (e.g. "Francks" for French Canadians), thus deterring the chances of ever achieving a Canadian nationality, George Fujiwasa suggested in a letter to the editor on March 9 that the word "Japanese" be omitted altogether when describing Japanese Canadians.

Said Fujisawa, "If the newspapers realize that Canadians should be called Canadians, and further, if they realize that ethnic differentiation is dangerous, I [illegible] the Sun will take a consistent stand in describing Canadians in the future.

"Please refrain from using 'Japanese' to describe Canadians, then the need for such a term as 'Januck' will not be necessary.

"I hope you will also agree that [illegible] the publications should take [illegible] stand to use words such [illegible] 'Japanese' correctly, there [illegible] be no necessity to think [illegible] words which would be purely [illegible]. I hope you will lead [illegible] Canadian people to the ideal [illegible] desire . . . a common Canadian citizenship, nationality and [illegible]

"You have maintained that [illegible] enlightenment about the [illegible] of the Canadian democracy is 'probably too much to [illegible] for the present' but the beginning of such a campaign [illegible] not be left for the future. [illegible] beginning is to call Canadians no other name but Canadians . . . and the time is now."

[illegible] in commenting on the [illegible] discussed but not passed at the B.C. JCCA Conference regarding substituting "Januck" for Japanese, stated that the new word was meant primarily for the convenience of newspaper reporting.

"The frequent use of the term (Japanese) reflects that certain Canadians have direct connection with another country", Fujisawa stated.

He said that the term "Japanese Canadians" was unwieldly and cumbersome and that if the use of the term "Jap" or "Japanese" were to be eliminated, a more convenient term was necessary to replace them.

"The motive of the resolution was to have a Canadian term which would embody ethnic description without any connotation as to foreign nationality. It is necessary to emphasize that the desire to be Canadians and to be called Canadians was responsible for the creation of the word 'Januck', Fujisawa added.

"The emotion attached to the desire of the originators to be called Canadians, [illegible] made them overlook the possibility to which [illegible] could lead as [illegible] your editorial."

Japanese Coed Thinks Filipinos Are Romantic

TOKYO — A pretty Japanese coed who visited the Philippines recently said she thinks Filipino students are "romantic" but "not very serious."

Miss Hideko Yamamoto, one of four Japanese delegates to the first postwar Philippine-Japanese students conference, said she has received some "romantic" letters from Filipino males since her return to Japan.

She said she likes the Filipino men because "they are nice to girls" but she thought they also could be more serious, "like Japanese men."

Ask Tolerance For GI Kids in School

TOKYO — The Education Ministry has instructed school boards throughout Japan that children fathered by Allied occupation forces should not be subjected to discrimination.

The ministry issued a pamphlet on "Occupation Babies" anticipating 1000 will enter the grammar schools for the first time next month.

Ruling of National Welfare Dept. Will Not Affect Applications if Proof of Age Shown

The National JCCA this week stated that applicants for old age security who are able to produce documents to prove date of birth should have no difficulty in proving their eligibility. The National JCCA had brought up the case of Mr. Sukegoro Mori of Toronto whose application was rejected because his stated age of 70 years was questioned on a ruling by the Dept. of National Health and Welfare in Ottawa that the true age of Japanese must be considered one year less due to the practice of Japanese of adding [illegible] year at time of birth.

George Tanaka, National Executive Secretary, pointed out to the Dept. that in Japan a person's year of birth as registered in family registers is a true date as [illegible] in Western countries.

R. B. Curry, Director of Old Age Security in Ottawa, in reply to Tanaka's letter, said that if Mr. Mori has documents to prove [illegible] he should have no [illegible] to establish his rights. Curry stated that he would ask Mr. Jackson, regional director in Toronto, to have a further look at Mr. Mori's case.

Said Curry, "I am grateful to you for the information you have given us. According to previous advice on this subject, it has been common practice to add a year of age to the child at birth. We are informed that 60 or 70 years ago, this was common practice. Your letter substantiates this view, although as you point out such custom was never officially approved by the Japanese government."

The key point on the whole matter, said Curry, was the stated date of Mr. Mori's birth, Jan. 16, 1883.

It is felt that the Ottawa ruling will be changed. There is assurance that the ruling will not hamper other Issei from receiving old age security.

As in the case of Mr. Mori [illegible] for Federal Old Age Security did not accept his stated age because of the ruling, other Issei facing the same problem need only produce proper documents, the letter intimated.

Endorse Community Centre Project

Representatives from various sports, social and cultural organizations in Toronto last Sunday unanimously endorsed the need for a Japanese Canadian Community Centre in Toronto. The meeting was convened by the Toronto JCCA and held at the Canadian Legion Hall.

Following the endorsation of the idea, the meeting made a resolution to the effect that the Toronto JCCA will spearhead the project and together with delegates from each organization in Toronto, will form a working and planning committee. Interested individuals will also work with the committee.

The Community Centre which would be used to fill the social, recreational, educational and cultural needs of Japanese Canadians in Toronto, is a huge undertaking and in this respect, needs the cooperation of all groups and individuals in Toronto, stated one representative.

Present plans submitted by the Toronto JCCA Issei Division which they had studied for the past four years propose the purchasing of an old building for the sum of approximately $50,000 with $10,000 to be used to renovate the building.

This building would enclose a hall with the capacity of at least 100 persons, smaller meeting rooms and offices, recreation rooms, and bedrooms, and the site would be selected where additions to the building could be made.

This plan would fill the immediate needs of Japanese Canadians, the Issei had decided, although the special committee under Mr. Fred Kondo had gone into research and studied a plan to construct a building at an approximate cost of $400,000 which would include a gymnasium and auditorium. The plan was rejected on the basis of the prohibitive sum of money involved when the Issei Division and representatives from Issei organizations met to discuss the situation last year.

Last week's meeting, therefore, was held to gain the support of Nisei groups and thereby gain community support. The Toronto JCCA will likely form a committee composed of delegates from all groups, and since many sports groups are involved, study all possibilities of the proposed community centre.

The germ of the idea originated from Kori Mitsui of the Westerns Baseball Club five years ago when he suggested a plan to erect a gymnasium. The Kotobuki-Kai (Old Issei Association) also thought on the lines of a recreational hall and had stated last year that they would co-ordinate their plans with the Issei Division.

Chairing the meeting were Edward Ide, Toronto JCCA president, and T. Umezuki, Issei Division president.

Give $100 to Europe Flood Relief Fund

The sum of $100 will be donated to the European Flood Relief Fund from the Japanese Canadians through the Toronto JCCA.

The sum was formerly collected when various Japanese Canadian organizations raised funds for the United Nations International Children's Emergency Fund (UNICEF), Japan Relief and Manitoba Flood Relief in 1950. A sum of $100 was set aside for UNICEF.

The UNICEF drive for funds, however, was terminated before the campaign was finished and the $100 was placed into the Japan Relief Fund.

Organizations who participated in the fund-raising were contacted recently by the Toronto JCCA Issei Division and the $100 will now go to Europe.

CALIF. ISSEI THREATENS WIFE WITH 6-INCH KNIFE

Deputies took a 6-inch butcher knife away from Oyama.

UNITED CHURCH IN STEVESTON

Amalgamation Purely Local

Editor of The New Canadian:

I have been reminded by some one living in the East that the reports of the Church Union which has been consummated in Steveston between the Anglo-Saxon group and the Japanese Group of the United Church have not been free from obscurity and have even been misleading. I am therefore presuming to say very simply what that amalgamation involves.

It is true that these two groups have been amalgamated. The process towards this end came about through an invitation of the local Anglo-Saxon congregation. It had been considered and discussed for more than a year. It is purely local and does not affect the relation of Japanese groups within the United Church at any other point, though it might become a pattern for a general union across Canada.

The movement was spontaneous—it was not fostered or guided from the outside. The Minister in the Japanese Church was not the originator of the idea and though he gave it encouragement, he did not guide it.

There is now one congregation composed of these two groups all giving their support to a common treasury and that local. The Old Japanese Church Property comes into the union and both the Anglo-Saxon property and the Japanese property become the property of the local church administered by the regular Boards on which the Japanese group has equal representation, thus assuring the interests that need to be served in the various programs and policies of the local church.

The language difficulty remains and is met as it has always been met through the use for Worship Services of the Japanese Language over as long a period as may be regarded necessary by the church itself and the church authorities. The Japanese Language work will not therefore suffer or be neglected or regarded as not important or as unnecessary. The Minister who carries the responsibility for the Japanese language work will have the relation to the Steveston United Church of Associate Minister, and funds for a portion of his salary will be set aside by the congregation.

SAYS T. M. K. TOO VERBOSE

The Bull Is Baited

Dear T. M. K.:

I have just read your article for the fourth time. A confession such as this can usually be interpreted as indirect praise. In the case of your article entitled "Man and Authority", however, I must in all frankness state that after reading the article for the fourth time, I am still bemused as to what it was supposed to convey.

Now I am quite cognizant of the fact that my negative derivement can be attributed to my stupidity as well as to what may be lacking in your article. I am also aware that you as an author can take two attitudes towards my letter. First, I am merely a pipsqueak who wishes to say more than he knows, and second, that I am what one might call a parasitic writer—who one relishes in attacking an article to humiliate the author.

Being fully aware of these aforementioned handicaps (and also aware that you are quite immune to such routine "attacks") may I, T. M. K., in all sincerity, make the following comments.

Your wordiness—one might term it as verbosity—reflects that whatever it is you are trying to say is very difficult to express, or who knows, maybe it is because your arguments are basically illogical and you are attempting to use dialectics to [illegible] the reader (and thus become verbose).

I presume that you are a student of logic and scientific method of reasoning. I believe that logic and reason teach us to be precise and concise. You, T. M. K., in your last two column treatises, did just the opposite.

Actually, T. M. K., it is your way of writing rather than what you write that I seem to disagree with. I, for example, would agree with you wholeheartedly that in a Democracy a Man's freedom to choose is respected. I would, however, go further and say that Democracy as extant today acknowledges freedom of speech, freedom of religion, freedom of political affiliation, etc., as ideals being striven towards. It would be more truthful to say that in a Democracy (supposedly) all citizens are treated as equals before the law. Therefore, when that great American patriot said that all men are born equal (in the United States of America!), he meant that all men are equal under the common denominator of American Justice.

Likewise, when you say that the best way to become perfect is to study perfection; how could one be more logical! When you, however, apply cold analytical logic to religion, you soon become embroiled in paradoxes. Religion, I believe, is capsuled in this one sentence: "I have faith in what I cannot see in order that I might see what I have faith in".

That is all.

As you say, seemingly, there seems to be something inherent within us that makes us want to be good and do good. At times, circumstances persuade us to do things against our better judgement, but if we are adjusted humans, we acknowledge that we have done something wrong and do feel a sense of guilt. (The book "Human Destiny" relates that we have more or less reached the acme of physical perfection; now it is a matter of moral evolution). But, T. M. K., once you start rattling off such frilly terminology such as "eternal absolute", "Last Word", "Infinite Wisdom", etc., I'm afraid you've jumped a little too heavily on the springboard of logic and are wandering in the ephemeral nowhere.

T. M. K., you can teach science, politics, mechanics, etc., but there is one thing which you cannot teach, and that is religion, because religion is not a lesson nor a lecture: religion is life itself, and, albeit, death and what-have-you.

T. M. K., life is too short. Blow away the smoke of mysticism, breathe the invigorating fresh air of reality. Man is evolving into a better being, slow at times, but progressing. What we need today are clear-thinking people of vision, not martyrs uttering mysticisms.

But now, before I too become verbose, I am for shorter articles.

MORNING RAIN

By HISAYE YAMAMOTO

"Mr. Endo gave the question a lot of thought . . ."

IT WAS a little past nine.

Sadako, seated across the kitchen table from her father, watched him eat his eggs. He had always eaten them in this particular way, he would probably never change. First, he finished at his leisure everything but the eggs—the two pieces of toast, the tomato juice, the coffee—then, with two expert flips of his fork he tossed the two fried eggs, whole, into his mouth, chewed once or twice, then swallowed, and breakfast was over for him. Well, it could be worse, Sadako thought. She remembered a man in a story who demanded two fried eggs for breakfast every morning, one egg with a deep orange yolk and one with a light yellow yolk. Even her husband liked his eggs one way and not another; he could not abide fried eggs with a crusty bottom—the underside, as she had learned from bitter experience, had to be tender. (She liked crisp bottoms herself). At least, her father didn't quibble about the manner of eggs served him.

"Well, what are your plans for today, Oto-san?" she asked. She asked it pretty well, too; she only had to resort to English for "plans."

Mr. Endo gave the question a lot of thought. He gave everything a lot of thought, or he appeared to, but he never said much. Sadako had time to start washing the dishes before his answer came. She had eaten much earlier with her husband, before he left for work, and those dishes were already done. The baby, right on schedule, was already taking her morning nap. Today, because it was raining, she would have to improvise a washline inside for the diapers. And there would be no forenoon stroll for the baby. Well, it was just as well. It was always such a job getting the Taylor Tot down the steep outside stairs of the garage apartment.

"Sa, I think I'll visit with the Iwanagas this afternoon. I didn't see them the last time. Then there's a movie I want to see at the Fuji-kwan. Don't expect me for supper. I'll eat something down in Nihon-machi."

"Okay." Sadako was rather relieved. Suppertimes were always uneasy when her father was visiting from San Francisco, where he worked as gardener for a well-to-do family (it was the same job he had held before the war). She tried her best to keep a pleasant, digestible conversation going, but she always ended up tensely, delivering an overly ebullient monologue. Harry, tongue-tied when it came to Japanese, limited himself to asking her to pass the salt and pepper. And her father had never been one for irridescent chitchat. Oh, once in awhile, Harry tried, he really tried, but he always petered out in helpless English. Once or twice, her father had tried a bit of English. But the fact was that these two principal men in her life were, as far as communicating with each other was concerned (and that was what living was, was it not?—communicating with each other?), incompatible.

"Is there anything you want from down there?" Mr. Endo asked, setting fire to his first cigarette of the day.

"Well, if it's not too much trouble, I think some manju would be nice."

"Okay." Mr. Endo smiled at himself for saying so, and Sadako smiled into the dishwater. Each remembered, privately, how freely and blithely Mrs. Endo had used the term when she was alive.

"You'd better take my umbrella. This rain doesn't look as though it'll let up soon.

"Is it raining?" Mr. Endo asked, mildly surpised.

"Certainly, it's raining." Sadako turned from the cupboard, where she was stacking dishes. "After all, it's November already. It's about time we had some rain, Los Angeles or no Los Angeles."

Then, sharply, she looked at her father, her mouth agape. "Is it raining? You mean you can't hear that rain?"

Mr. Endo shook his head, no.

They stared at each other for a moment, father and daughter, he not really seeing her and she as though seeing him for the first time in her life.

Then, while Sadako continued to stare at him, Mr. Endo, stepping suddenly to the misted kitchen window, cleared an egg-size space on it with the heel of his hand and peered out. Sure enough, there was water dribbling steadily from the eaves, and the slender bare limbs of the thorned, stone pear tree down below in the yard stood out black and wetly shining in the whitish air. He closed his eyes, knowing a second's vertigo as he strained with all his might and even then could not hear the sound of that considerable rain which all this time must have been noisily strumming the roof.

"You like the green ones, don't you, the green ones with kinako?"

Sadako nodded with unnecessary vigor. She watched him put his overcoat and then brought him the umbrella. As he was going out the door, she realized she had not said a word to him since she had asked him whether he could hear the rain.

"Oh, yes," she said. "Get a lot of the green ones, the green ones with kinako!" It was only when the baby cried out a second later that she became aware that she had been shouting at the top of her lungs.

本場所がすんでから田園調布のグランドで双葉山、羽黒山一行の相撲興行があつた。こゝなら家からも近いし、さして雑沓もすまいと、大平は米太郎をつれて見にいつた。協會の佐渡良太郎は、大平と交友があつたから、特別にた休溜りへいれてくれた。

いままで偶像的に見ていた横綱大關の姿を、一尺とはなれぬところで見れるということは、米太郎にとって大きな興味でありよろこびだつた。

佐渡良太郎が米太郎のそばに坐つて、いろ／＼取組や力士の經歴を説明してくれた。米太郎はそのたびに、ほう、ほう、とうなづきながらきいていた。

番數がすゝんで、横綱の土俵入になつた。双葉の横綱ぶりを一間とはなれぬところでみている米太郎は、またゝきひとつしないほどだつた。

その頃の双葉は、實力において人氣において、國技館に並ぶものがなかつた。不世出の力士という英雄的な讃美すら與えられていた。

端正な人格と、勁烈な錬治と、圓熟した技術とがよく調和して、彼の人氣が形成されていたのだ。その大力士の貫祿を、四肢の響きにつたえて眞正面から見せられては、米太郎ならずとも、大平の心内すら緊張にたゝされていたはずだった。

同門羽黒との取組みは、本場所では見られないものだつた。一回目は立ちあがるや羽黒、素早く左を差し一氣に寄ろうとするところを双葉、土俵にこらえて右に上手を引きながら寄返し、それからは互いに寄進み寄戻し、もつれるように取組んで、力の張りきつた大勝負となつたが、双葉に前褌をひかれてからは、羽黒の態勢が俄かに惡るくなつた。そのまゝ右から大きくうつた双葉の下手投げに、羽黒はついに土俵上に横轉した。

この息づまるような一番勝負から、二番目まではしばらく時間があつた。米太郎がふと前方をみると、彼の愛してやむことのない郷土力士名寄岩がむつつり控えていた。

米太郎はこの時、何を考えたのか、名寄のうしろへにじり寄つていつた。そして彼の黒光りしている肩の肉をむつと把んだ。そのまゝ大平の方へふりかえつて、

「まるで、河豚と同んなじだよ」

と、いくらか小聲でいつた。

大平はハッとした。失禮なことをらく／＼とやつてのける父親をうらめしく思つた。怒りつぽいと噂されている名寄岩が、顔を赤らめて振り向くと心配したが、當の名寄はニタニヤ笑いながら、米太郎の顔を坊やのようになぜた。さつきの取組の緊迫した空氣とはすつかり反對な、この和やかな一景に、觀客たちもどつと笑つた。

大平のそばへ歸つてきた米太郎になぜあんなことを、とたずねると

「いや、可愛くてな。國へ歸つて名寄の肩をつかんできたというて土産にしたいからよ」

その午後、佐渡氏のはからいで、横綱双葉山と米太郎の記念撮影をした。名寄岩も加わつて米太郎をいよ／＼滿足させた。

往年の村角力の花形島の昔が、夢にまでゑがいていた横綱との對面。

「おらあ、十年も壽命がのびたようだ」

と大平にかたつた。

その後、佐渡のはからいで双葉山から銀盃一個をおくられた米太郎は、その時の寫眞とともにルベに持ちかえつてから、だれにでも見せて自慢していた。

氣の毒な未亡人へ査證第一號

【横濱發】毎年百八十五名だけの日本人のアメリカ入國と米市民權賦與とを許可した新移民關係法(通稱ウオルター・マッカラン法)が十二月廿四日發効し、在日各米領事館へ移民を希望する日本人の申請登錄が殺到しているが、横濱の總領事館の割當移民査證第一號が松井清枝(二六)さんに交付された。清枝さんは法村、友井舞踊團でバレエ研究中、廿五年大阪米陸軍病院へ慰問に行つたさい同ピーエッキスに勤めていたスチーヴ・スモンコ軍曹と知り合い、間もなく意氣投じあつて、翌廿六年春横濱市内で結婚幸福なスイートホームを持つた。そして同軍曹の妻としての清枝さんの特別移民許可嘆願書をワシントンの米檢事總長に提出していたが、昨年三月三日ようやく許可が下りたものの、その査證が同領事館から發行される前の四月廿三日スモンコ軍曹が小田急電車と衝突して不慮の死を遂げたため折角の許可も無効になつてしまつたところが、夫妻の間にアンドリーちやん(女、二歳)が生れており、同軍曹は日頃「日本國内では混血兒は異端視されるからアメリカでせひ教育したい」と言つていたのでどうしても亡き夫の遺志を生かしたいと思つた清枝さんは新移民關係法の受付が開始された七月十六日眞先に申請した。その氣持に同情したテイラー米總領事、査證担當副領事マガレット・ホワイト女史らの計らいでこの氣の毒な清枝さんに記念すべき査證第一號が發行されることになつたもの。同日すでに米市民權を取得しているアンドリーちやんには旅券が下付された。

日本の行く手 分住より外なし

中村嘉壽氏から全國行脚便り

目下北海道各地を歴訪中の中村嘉壽氏が本社宛に次の通信をよこしてきた

▽常にお送り下さる貴紙は有難く拜讀し、又各方面に貴紙から得た資料を提供しております。私は歸國直後から全國行脚の途につき今日迄それを續けておりますが、漸くこの北海道にたどりつきました。これから北上して今問題となつている樺太にソ連機侵入の眞相を突きとめる積りです

▽私の「世界の動きと南米事情」は全國いたるところで大受けです。日本の行く手はもう分住より外にない事を國民一般が漸く認識する樣になつたので、むさぼるかの樣によく聽いてくれます。民間の分住熱が昂まる樣になり、今迄とかく面倒がつたり、冷眼視していた政府も之をとりあげざるを得なくなりました

▽おそまきながら、又貧弱ながら移住局新設など中澤的企てをするなど漸く沈默を破らねばならなくなりました。私も五十年の夢を實現し得る機運が來た樣で微笑んでおります。

（懇度もお願いします樣に來る五月の參議院には是非カナダからも應援して下さいませ。海外からの一本の推薦狀は十票にも、千票にもなり得ます）

▽全國行脚で氣に付くことは國民一般が私の講演を一言洩れなく聞いてくれる事です。日本には農家の次男、三男對策というのが重大問題になつておるのです。即ち新法律で親の財產を分割すると誰も彼も食へなくなるから、次三男が別に特住するという問題で、政府も地方も大童です

▽それには分住政策が最良の策なので希望者が續々出て來ます。しかし運賃の融資がむつかしいので、このごろ出來た海外移住中央協會が中心となつて「移民金融金庫」を新設したい運動をやつております。必要の前には如何なる障害も克服せねばなりません。それには私が議席を占める事が絶對必要という說がチラホラ出る樣になつて參りました。是非御聲援願います

モントリオル市を訪ねて＝(二)

水流のにぶいところには藻が認められた。悠々と流れるセント・ローレンス河にかこまれた島に、カナダ最大のモントリオル市がひろがつている。飲料水をこの河水から [illegible] 舌にしみ通る味も缺けているそうだ。

セント・ローレンス・リバーは英佛兩語がオッピラに通用するユニークな大都市を育て、やがては軍事上にも重要な水路（シーウエー）に發展してゆく將來を抱いている。モントリオルからキングストンにいたる河岸にある五、六都市をはじめ、流域の肥沃な耕地は水路開發も事ともなければ、いずれも水底に沈む運命を持つ [illegible] さもいえるだろうが、汚水流してきりひらいたパイオニヤーたちにとつては何物にも變えがたい農地であろう。

だが、スマートな外國船がそれぞれの國旗をかかげ河をさかのぼる有樣を見れば「百幾十年というわしの村の歴史の上を、みろ大きな船が走るわい」と農者たちは胸をひろげて誇らげに語るに違いない。それと共に、マッケントッシュという移住者がアップルを植え、この地方に富と名聲をもたらしたオーチャードは運河のためにあわれな將來をたどるであろう。――と、こんなことを考えながら再び橋をわたつて市内にもどり、金婚を祝われる堀氏宅を伺つてお祝いの言葉を述べ、ドクター堀とも會つたのち、當夜の芝居の司會者宮崎氏宅を訪ずれ、繁華街セント・キャソリンを通つて江畑氏宅に歸つた。マギル、モントリオル兩大學の外觀を見、セント・ジョセフ寺院もこの目にはドライヴだけで通つたが、晴れてはいても吹く風の冷たいマウント・ローヤル頂上に、江畑さんと二人でシャレーにたどりつき、眼下にひろがるモ市について說明を聞いた。山頂には夜間點燈する大きな十字架とテレビ放送局の鐵塔があるが、ここにもコマシャライズされた宗教の片鱗を見せられたという感じをうけたのは、或は通りすがりの皮相的な印象と[illegible]いえるかも知れない。

會館問題一步前進

團体代表者と個人の委員會設置へ

トロントの日系人コンミュニテー・センター（會館）設置問題を協議するためにトロント市協主催で三月十五日開催された市内の一、二世各團体「代表者會議には五十名近くの代表者が出席して討議した結果

一、會館を設置する

二、このためにトロント市協が主体となつて責任を持ち、各團体代表及び個人からなる實行委員會を組織する

ことを滿場一致で決議し、會館設置問題を一步前進させることになつた。協議會では佛教會代表（佛教會、婦人會、青年會、サンガー（壯年會）四團体によつて構成されている委員會で佛教會の事業全般の遂行に當つているもの）から佛教會側としては日系人一般の會館設置の趣旨は是認する。但し佛教會には自身の會館設置問題があるのでこれが完了するまでは佛教會として資金集めの運動に積極的に參加することは出來ない事情にある。だが市協が中心となつて資金募集をする場合には援助する。という立場の說明があり、合同教會代表からも同じような立場にあることが說明され、資金募集の戸別訪問などの協合は出來るだけ協力はするさ述べられた。又二世のスポーツ團体代表からはその方面で抱いている希望を披瀝し、市協一世部が中心となつてこれまで考究して來た會館案の第一案も近藤氏から說明された。會館問題でこれまでに一世團体の間で到達していた一致せる意見は一世部で考究した第二案で、それは

▽資金大体五万弗乃至六万弗、既存の建物を購入し最低百名を收容し得る集會室、小集會室、市協その他の團体の事務所、娛樂室、柔道道場、若干の寢室を設けへ將來大ホールを增設し得る敷地を持つた場所を選ぶ

という方法であるが、これは一世側としては速急な必要を先ず充たし、將來理想的な大ホールをつくろうという心組みを示すものであり、新たに設置される實行委員會では一世側と二世側双方の意見や希望を一致させて運動をすすめるということになるわけである

歐洲水害救濟金へ 百弗寄附

トロント市協では、トロントの日系人からとして歐洲水害救濟資金へ百弗を寄附することになつた。この金は曾つてマニトバ州水害救濟や日本難民救濟資金といつしよにユニセフ（國連の歐洲戰災兒救濟）への寄附金として集めたうち、から百弗をユニセフに充てて[illegible]あつたのが、寄附が集まつた頃にはユニセフの運動が中止されたので日本救濟資金の中へ繰込んで保管されていたもので、右の總合的な寄附集めに關係した市内の諸團体の諒解を求めたうえ、右の如く決定したものである。

國會解散、四月（十九日と內定）總選擧へ

三木氏一派廿議員が退場、政府不信任案可決さる

【東京發】日本國會は土曜夜吉田政府不信任案を二二九票對二一八票で可決、吉田內閣は總辭職せず、選擧まで居据り、國會解散を宣し四月十九日に總選擧というあわただしい政局を展開した。政界消息筋では改進黨重光氏が新首相になるのではないかと見ている

吉田首相がさきごろ『バカヤロー』事件をおこして反對各派はもとより自由黨議員からも非難攻撃されていたものだが土曜日の國會では社會黨左右兩派と改進黨が一致となつて「政府不信任」の動議をおし進め採決にいたる直前、ワンマンと氣の合わない老議員三木武吉氏（七〇）が十九名の自由黨議員をひきつれて退場、投票に參加しないという作戰に出たため、不信任動議は十一票の差で可決され、昨年十月に選擧された國會は解散、來る三月二十四日に總選擧日が發表される筈だが、政府では四月十九日と內定している模樣。不信任案は吉田政府が獨立日本再建の確固なる方針を持たぬため國家のモラルが低下するにいたつている點を指摘、追及しているが、政府の方針如何が命取りとなつたものでなく』吉田首相に對する人氣が大きな原因となつているといわれる

中共の對日接近策

【東京發】三万の中共抑留日本人を引取りに、まず第一發組を乗船させる四隻の大型日本船が十五日中共向けで出發した。中共がともかく抑留日本人を引揚げさせることになつたのは、中共の對日接近策に使うものであり、日華關の交易再開もネラつているのだと見ており、とくに吉田內閣が苦境にあつて四月中旬には總選擧となるのに際し、親米一倒邊のワンマン政府を除き、中共との親密をはかる新政府の構成に結びつけるものがあるとしている。引揚交渉團の一人として先週中共から歸國した平野義太郎氏は「日華兩國の貿易促進のため中共グループが渡日する計畫」が發表している。引揚げ者が選擧前に赤い歌を高唱しながら上陸するという「赤色攻勢」が期待されるだろう。

カナダ向けの醬油も封鎖さる

シアトル港税關の解せない處置

日本で醬油を積込んだ米貨物船チャールス・イー・デント號が豫定を變更、シアトルに直航したため、カナダ向けの日本醬油が税關に押收されたままとなり、計らずも醬油不足を來している——

米太平洋沿岸諸港では應報通り、共産圏から原料を得た日本食糧品は疑いあるものは通關を拒否しているが、トロント市古屋貿易會社がオーダーしたキッコーマン醬油多量が米貨物船デットン號で晩市に荷揚される筈のところ豫定を一ス變わてシアトルに直航したために、桑港やロサンゼルス同樣の運命にあい、醬油の陸揚げを命じられて封鎖されてしまつた。古屋では百方手をつくし今週になつてやっと封鎖解除の知らせに接し、來週あたり着荷する筈。なおカナダ向船、積荷二百トンの鐵鋼板も…されるなど米税關の處置に良解せないものがあるとされており、今後を注意している

『ぼく黒ちゃん』

可哀想な混血の子

童心に映つた『基地』の姿として靜岡縣下の一中學校二年生林道子さんは「混血の子」について次の作文を書ている

ある朝、お友達とつれだつて登校の途中一軒のランドリイの前で三、四歳の黒人の子が立つていた。人なつこい笑顔でとつぜん私達に話しかけた「ぼく黒ちゃんよ…」みんなおもはず立ちどまり、微笑を返したが、あまり痛々しさに言葉を返すことは出來なかつた その子の髪はクルクルと短いまき毛で、一目みて黒人と分る男の子だつた。私は考えた あの子達は大きくなつたらどんなになるだろうか、おとうさんや、おかあさんがどう考えるかしら。自分の友達とちがう目の色、髮の毛を見てどんなに恥しい、情けない思いをするだろうか。私は一つ一つ考えたがどれとして前途にあかるいものはなかつた。かわいそうな子供達、自分にはなんの罪もないのに……

【ワシントン發】米政府筋ではマレンコフ首相の「平和演說」の裏面に盛る意味を吟味中である。果してソ連は米國との關係改善を希望しているのか。しかし、それならば、言葉よりも行動に表わしてのち、ソ連の眞意を知ることであろうとしている。ダレス國務長官は新人物の登場によつてソ連の出方も變るとすれば、平和えの新しい機會も生れてくるものであろうと語つている

Big Cage Tournament Set for April 17-18, U.S. Teams Invited

RHAPSODY TAKES SLIM LEAD, MUSTANGS DEFEAT REBELS AS TORONTO BASKETBALL FINALS BEGIN

It's still anybody's battle in the junior finals as Rhapsody takes a six-point lead into the second game of their two-game total point series. They nipped Mustangs Juniors 37-31 last Friday at St. Vlad's gym to start the finals of the Toronto Nisei Basketball League. Meanwhile with the seniors, it looks like all the shouting is over unless Rebels can come up with a comeback story to overcome a 22-point lead that the yet undefeated Mustangs have piled up at their expense.

[illegible] Rhapsody took advantage [illegible] Mustangs' many defensive [illegible] to emerge victors of the [illegible] Joe Togawa led the winners [illegible] on the right foot as he sank [illegible] basket at the 1-minute mark. Rhapsody lost chances to [illegible] the lead as Ace Bob Adachi muffed four in a row, [illegible] a feat for the usually dead-eye Adachi. Mustangs failed to connect until the 6-minute mark of the 1st quarter when Ron Mori [illegible] the first one. The score read 10-8 for Rhapsody at the end of the 1st quarter.

The play resumed at a faster clip in the 2nd quarter. Henry Edamura tied it up for Mustangs at the 2-minute mark. Rhapsody took the lead again on Aki Furukawa's basket followed by Edamura's equalizer, and the lead exchanged several times until the final minute when Togawa sank two points from the foul strip to give Rhapsody a 19-17 lead at the end of half-time.

Both teams played sloppy ball and were guilty of some erratic shooting in the 3rd quarter. 3rd quarter score: Rhapsody 25, Mustangs 23.

As the final quarter opened, Joe Wani missed a glorious chance to tie it up for Mustangs, missing two foul shots. Furukawa put Rhapsody ahead 29-23 on back to back baskets. With one minute, eight seconds remaining, Mustangs' Edamura sank two foul shots, and with time running out, Ron Mori sank [illegible] of four foul shots. Rhapsody froze the ball as Mustangs frantically tried to get back into the game.

Some poor foul shot shooting by Mustangs led to their downfall and they head into the final game down 6 points. Although bottled up most of the game, Bob Adachi managed to put in 12 points. Aki Furukawa added 9 for the winners. Only Mustang to hit the hoop consistently was star centre Henry Edamura, racking in 15 points.

SENIOR GAME

It was strictly Mustangs' night as they were in control throughout and handily defeated Rebels 67-45.

Tall Ken Miyasaki sank two in a row within three minutes to put Mustangs ahead. Roy Kurita pumped in Rebels first. Play opened up as Rebs' Hirano and Mustangs' speedy guard Muka Makimoto scored some nice breakaway baskets. Herby Miyasaki started to find the range, pumping from all angles with his hook and one handed jump shots. At the 9-minute mark, Makimoto hit the hoop with a sensational long one-handed shot from mid-court. First quarter score: Mustangs 20, Rebels 9.

The second quarter saw Rebels play a much better game with Mossy Mitsui being effective with his hook shots and Paul Hirano sinking some set shots. Half-time score: Mustangs 37, Rebels 23.

Best shot in the 3rd quarter was by Paul Hirano when he faked out a Mustang guard to put in a beautiful lay-up shot.

Rebels opened up with the first basket in the final quarter on Mush Fukumoto's shot. Makimoto came through with a one handed jump shot. Rebels' Mash Fukumoto scored on a lay up after displaying some nice dribbling. Mustangs defense was caught off-guard momentarily as Kurita hooped one in with [illegible] a Mustang in sight. Herby Miyasaki started putting in baskets from the key [illegible] to give Mustangs a big lead.

The most outstanding player on the floor was Mustangs' Herby Miyasaki. He hoped in 14 field goals and 6 foul shots, good for 34 points. Next in line was Rebs' Paul Hirano with 18. Mush Fukumoto added 12. Mustangs' guard Makimoto played a fine two-way game and garnered 14, while Ken Miyasaki was a [illegible] all the way.

Games for the [illegible] 2 [illegible] Mustangs [illegible] (Jr.), 7 p.m.; Mustangs [illegible] Rebels (Sr.), 8:00 p.m.

Ascot Cleaners Make Late Season Spurt

However, with but five weeks [illegible] and 14 points behind, only [illegible] Takeda collapse gives them a [illegible] of overtaking first place. Takeda last week won 4-3 over [illegible] Construction.

TORONTO — Basketball fans will be treated to a big helping of Canadian and American Nisei basketball talent should all teams invited be able to play in the First Invitational International Basketball Tournament ever to be held in the Queen City on the April 17-18 weekend.

The Tourney is being sponsored by the Toronto Nisei Basketball League.

Bids have been sent to four American teams with the Detroit Michigan Dukes definitely coming. Other teams who may come are Chicago, Philadelphia and Cleveland.

Toronto, long a hot-bed in Canadian Nisei basketball circles, will trot out its Mustangs, the most potent lineup in Canada, who have dominated the casaba game here for many a year, going through several undefeated seasons. With their players who are long on height, several of the players over the 6-feet mark, the Mustangs should be a threat to any team.

Rebels, also of Toronto, may take part while a team from Montreal is expected to come.

The Invitational Tourney was first set for the Easter Weekend, April 3-4, but a playing site was unavailable at the time and the meet was shifted to April 17-18. Probable site of the two-day affair will be either Central Tech or Parkdale Collegiate gyms. Chicago had signified its acceptance for the Easter date.

New York, long a familiar participant in Canadian tourneys, will not be making the trip this year since they are unable to field a team.

Philadelphia was the winner last year at the Fifth International Tournament sponsored by the Quebec JCCA in Montreal.

Overcome Big Deficit, Enter OBA Semi-Final

St. Christopher Mustangs facing a seemingly unsurmountable 18-point deficit, played the 2nd game of a two-game total-point series with Edwards Monarchs of Kingston at Parkdale Collegiate gym in Toronto on March 14, and came through flying with a 91-63 score winning the game and the series 145-135. The win for Mustangs places them in the semi-finals for the O.B.A. Intermediate "A" title against Kitchener.

Mustangs employed a fireball offence and an all-court press defence right from the opening whistle till the end of the game, enabling Mustangs to cut down the 18-point advantage held by the Kingston team. Mustangs were not able to get very far ahead on the game until the 6-minute mark when they went ahead by three points and never looked back, first quarter ending with Mustangs ahead 21-15.

Both backboards were controlled by the Mustangs, who incidentally played only six players throughout the whole game, fielding a team of players all over 6 ft., average height being 6 ft. 2½ ins., thereby maintaining a distinct height advantage over the Kingston team. The players were urged on to playing one of their best games of the season by their teammates and the fans that came out to support the boys.

Mustangs continued their mastery over the Kingston team in the 2nd quarter with big Ed Boguski scoring 19 points and Bill Wowchuk helping out with 6 points in the first half. The first half ending 41-28 in Mustangs favor, leaving a 5-point deficit on the round.

Mustangs were able to start off fast in the 3rd quarter scoring 3 quick baskets to shoot them into the lead for the first time in the series, while Kingston suffered a big blow to their chances when Sciliter, their tall rebound man, went out with 5 fouls when he charged into Herb Miyasaki within 2 minutes after the start of the 3rd quarter. Mustangs, quick to take advantage of their height advantage, were able to shoot further ahead and at one time enjoyed a 13-point advantage on the round.
